COURSE DESCRIPTION: This course includes instruction in gathering evidence, fashioning evidentiary arguments, and preparing evidence for trial. Focus is placed on the practical applications of the rules of evidence.

COURSE OBJECTIVES: This course reviews the background, scope and applicability of the Texas Rules of Evidence, and explores the sources of evidence and the laws relating to its admissibility. The student will prepare legal documents regarding evidentiary matters commonly used in pre-trial discovery and at trial. Students successfully completing this course will understand the process of collecting evidence and preparing evidence for trial, be familiar with the rules governing evidence in Texas, and be familiar with the federal counter-parts to the Texas Rules of Evidence.

REQUIRED TEXTBOOK: *Evidence for Paralegals, 5th Edition* by Marlowe, Joelyn; Wolters Kluwer Publishing; ISBN: 978-0-73-559013-7

GRADING:

Students will have two (2) tests, a Mid-term exam and a Final exam, that will make up 50% of your grade (25% each). Students will also have to complete two (2) projects that will be 20% each. Ten percent (10%) of each student's grade will be based on class participation and daily assignments.

No make-up examinations will be given. Grade equivalents: 90 to 100% = A; 80 to 89% = B; 70 to 79% = C; 60 to 69% = D; Below 60% = F.

ASSIGNMENTS: Late class assignments will not be accepted without prior approval (before the due date). Assignments will not be accepted by e-mail. All assignments must be typed unless otherwise instructed. Students must maintain academic integrity in all assignments – “copying and pasting” from other sources (e.g. the Internet, other students, etc.) is plagiarism and will be grounds for dismissal from the course.

ATTENDANCE: Students are expected to attend all classes in order to be successful in a course. Students are expected to arrive at class in a timely manner. Attendance will be taken at the beginning of the class period. Late arrivals (more than 10 minutes) may be counted as absent for that class. A student may be administratively withdrawn from the course when absences become excessive. “Excessive” absences means more than two (2) absences for any reason.

When an unavoidable reason for class absence arises, such as illness, an official trip authorized by the college or an official activity, the instructor may permit the student to make up work missed. It is the student's responsibility to complete work missed within a reasonable period of time as determined by the instructor. Students are officially enrolled in all courses for which they pay tuition and fees at the time of registration. Should a student, for any reason, delay in reporting to a class after official enrollment, absences will be attributed to the student from the

first class meeting.

Students who enroll in a course but have “Never Attended” by the official census date (the 12th class day), as reported by the faculty member, will be administratively dropped by the Office of Admissions and Records. A student who does not meet the attendance requirements of a class as stated in the course syllabus and does not officially withdraw from that course by the official census date of the semester, may be administratively withdrawn from that course and receive a grade of “X” or “F” as determined by the instructor.

It is the student’s responsibility to verify administrative drops for excessive absences through MySPC using his or her student online account. If it is determined that a student is awarded financial aid for a class or classes in which the student never attended or participated, the financial aid award will be adjusted in accordance with the classes in which the student did attend/participate and the student will owe any balance resulting from the adjustment.

CLASSROOM ETIQUETTE: Paralegals are legal professionals, and as such, must maintain a professional attitude and demeanor. Spirited discussion is encouraged, but respect for the opinion of others is required. All students are expected to be prepared for every class. Disruptive or unprofessional behavior in class is grounds for a student to be removed from the classroom and dropped from the course without notice. Students are referred to the SPC Student Guide for more information about the policies and procedures concerning student conduct which are incorporated herein by reference. Student personal conduct must also comply with all Lubbock Center guidelines.

CELL PHONES: Cell phones must be turned off before entering the classroom. The professor reserves the right to answer a cell phone (on speaker) that rings during class time. “Texting” (text messaging) during class is prohibited. Violation of this policy may result in the student being removed from the classroom and dropped from the course. Use of cell phones for class purposes may be permitted with instructor approval.

COMPUTERS: Laptop computers may be used during class for class-related purposes only and provided computer speakers are muted. Wireless internet access is provided at SPC for education-related purposes only. Paralegal Studies students also have access to computers available in LC109. All student work must be saved on a removable storage device, e.g. a flash drive, and not on an SPC computer.

NOTICE TO STUDENTS: In this class, the teacher will establish and support an environment that values and nurtures individual and group differences and encourages engagement and interaction. Understanding and respecting multiple experiences and perspectives will serve to challenge and stimulate all of us to learn about others, about the larger world and about ourselves. By promoting diversity and intellectual exchange, we will not only mirror society as it is, but also model society as it should and can be.

ADA STATEMENT: Students with disabilities, including but not limited to physical, psychiatric, or learning disabilities, who wish to request accommodations in this class should notify the Disability Services Office early in the semester so that the appropriate arrangements may be made. In accordance with federal law, a student requesting accommodations must provide acceptable documentation of his/her disability to the Disability Services Office.
