- D. Academic Integrity: It is the aim of the faculty of South Plains College to foster a spirit of complete honesty and a high standard of integrity. The attempt of any student to present as his or her own work which he or she has not honestly performed is regarded by the faculty and administration as a most serious offense and renders the offender liable to serious consequences, possibly suspension. Students should refer to the SPC General Catalog, pg. 22-23; regarding consequences for cheating and plagiarism (see "Academic Integrity" as well as "Student Conduct" sections).

ATTENDANCE POLICY

Students are expected to attend all classes in order to be successful in a course. The student may be administratively withdrawn from the course when absences become excessive as defined in the course syllabus.

When an unavoidable reason for class absence arises, such as illness, an official trip authorized by the college or an official activity, the instructor may permit the student to make up work missed. It is the student's responsibility to

complete work missed within a reasonable period of time as determined by the instructor. Students are officially enrolled in all courses for which they pay tuition and fees at the time of registration. Should a student, for any reason, delay in reporting to a class after official enrollment, absences will be attributed to the student from the first class meeting.

Students who enroll in a course but have "Never Attended" by the official census date, as reported by the faculty member, will be administratively dropped by the Office of Admissions and Records. A student who does not meet the attendance requirements of a class as stated in the course syllabus and does not officially withdraw from that course by the official census date of the semester, may be administratively withdrawn from that course and receive a grade of "X" or "F" as determined by the instructor. Instructors are responsible for clearly stating their administrative drop policy in the course syllabus, and it is the student's responsibility to be aware of that policy.

It is the student's responsibility to verify administrative drops for excessive absences through MySPC using his or her student online account. If it is determined that a student is awarded financial aid for a class or classes in which the student never attended or participated, the financial aid award will be adjusted in accordance with the classes in which the student did attend/participate and the student will owe any balance resulting from the adjustment.

Lab hours may consist of rehearsals, concerts and workshops and other activities deemed appropriate by the instructor. Teachers <u>may</u> substitute "directed" study activities for these events for students who cannot attend on-campus events. Attendance forms and credit descriptions may be acquired from your instructor.

A. **Assignment Policy:** Each lesson will begin with a review of the material assigned at the previous lesson. Each lesson will conclude with a brief summary of the new material and the assignment for the next lesson. A daily numerical grade will be assigned by the instructor based on his evaluation of the student's accomplishment of the assigned goals. Also, see [E.] below.

Students enrolled in Commercial Music Ensembles are required to take private instrument/voice lessons (waiver subject to the discretion of the department head). This enables the student to gain advantage from the teacher's ensemble experience.

- B. **Grading Policy/Procedure:** The final grade will be constituted as follows:
 - An average of daily grades.
 - An average of lab hour credits
 - A midterm exam
 - A final exam or jury

The weighting & evaluation of these tests lies at the discretion of the instructor(s).

The instructor may excuse absences, but assignments will not be accepted late. Generally, letter grades are assigned as follows: A: 90-100, B: 80-89, C: 70-79, D: 60-69, F: Below 60.
