# South Plains College Department of Mathematics and Engineering Intermediate Algebra – Math 0320.006 Spring 2017 Course Syllabus

Instructor: Kaylan K Thompson

Office: M111

Telephone: (806)716-4886

Email: kthompson@southplainscollege.edu

#### Office Hours:

Monday	Tuesday	Wednesday	Thursday	Friday
12:30-1:00	9:00-11:00	12:30-1:00	9:00-11:00	9:00-12:00

**Textbook:** *Elementary and Intermediate Algebra*, Sullivan/Struve/Mazzarella, 3<sup>rd</sup> Edition, Prentice Hall/Pearson Education. ISBN 978-0-321-88011-6. Older versions of the textbook are acceptable. Please do not try to use an electronic device for a book. If you purchase a loose leaf book, you should secure a binder for the book. Your homework will be in handout form, but additional problems, as well as additional explanations, will be in the book.

**Course Description:** MATH 0320 (3:3:1) Prerequisite: MATH 0315 or one year of high school algebra. This course is designed for the student who needs MATH 1314 or 1324. It includes factoring, fractions, linear equations in one unknown, graphs, systems of linear equations, exponents, radicals, and quadratic equations. Time in a math lab is required. This course will not satisfy graduation requirements.

**Supplies:** You will need a 3-ring binder, notebook paper, graph paper, a 3-hole punch, and pencils. You will be allowed to use a scientific calculator. Graphing calculators and phone/tablet calculators will not be allowed.

**Course Requirements:** To maximize the potential to complete this course, a student should attend all class meetings, take notes and participate in class, complete all homework assignments and examinations including final examinations.

Attendance Policy: Attendance and effort are crucial for success in this course. Record of your attendance will be maintained throughout the semester. Leaving class early and being tardy will be recorded as ½ of an absence. Sleeping in class will also be recorded as an absence. You may be dropped from this course with a grade of X or F if you are absent four consecutive days or if you accrue five absences for any reason throughout the semester. Absences are not classified as 'excused' or 'unexcused'.

#### **Grading Policy:**

Homework/Quizzes/Lab Assignments/Binder Checks 20% Unit Exams and Comprehensive Final 80%

## Homework/Quizzes/Lab Assignments/Binder Checks:

- Homework assignments will be assigned during each class session and may be collected the following class period. Work the problems early enough to seek help if needed. You should expect to spend as much time outside of class as you do in class practicing homework problems and studying. Absolutely no late homework assignments will be accepted.
- Quizzes will be given during almost all class periods to demonstrate that you have practiced the skills from the previous class/classes. Make-up quizzes will not be given.

- Periodically, lab assignments will be given, completed, and turned in during a class period. If absent, these assignments may be made up by coming to my office, going over the lecture, and completing the assignment. You will be given one week to make-up the assignment, otherwise a zero will be given.
- All students will keep a binder which will be used as a reference and study guide. Your binder should be brought to class every day! The binder will be checked twice randomly by the instructor during the semester. Neatness and organization of a 3-ring binder are important. The binder should be arranged in the following manner:
  - o Section 1: Syllabus
  - Section 2: Notes for each section covered—Handouts to use to take notes are posted on Blackboard. It is your responsibility to print the handouts. If you are absent, it is your responsibility to get the notes from a classmate.
  - Section 3: Homework
  - o Section 4: Quizzes/Lab Assignments
  - o Section 5: Reviews (Practice Exams)/Unit Exams

These pages will be kept in chronological order.

**Exams**: There will be 4 unit exams given and a comprehensive final. Dates for the exams are on the course calendar. If for any reason you are going to miss an exam, you must contact me prior to class time. Make-up exams will be given at the discretion of the instructor. Once you begin an exam, you will not be able to leave the classroom until the exam is submitted for grading.

#### **Grading Scale:**

A 90-100

B 80-89

C 70-79

D 60-69

F 59 or below

A grade of C (70) or better is required to advance to the next course. This course and its grade will be recorded on your official transcript.

# **Learning Outcomes for Intermediate Algebra (MATH 0320)**

Successful completion of this course should reflect mastery of the following objectives. Chapter and section numbers are indicated in parentheses.

- 1. Define, represent, and perform operations on real and complex numbers. (9.9)
- 2. Recognize, understand, and analyze features of a linear equation and a function. (8.3, 8.4 including topics from 3.3, 3.4 and 3.5)
- 3. Recognize and use algebraic (field) properties, concepts, procedures (including factoring), and algorithms to combine, transform, and evaluate absolute value, polynomial, rational, and radical expressions. (6.1, 6.2, 6.3, 6.4, 6.5, 7.1, 7.2, 7.3, 7.4, 7.5, 9.1, 9.2, 9.4, 9.5, 9.6)
- 4. Identify and solve absolute value, polynomial, rational, and radical equations. (6.6, 7.7, 8.7, 9.8, 10.1, 10.2)
- 5. Identify and solve absolute value and linear inequalities. (8.6, 8.7)
- 6. Model, interpret, justify mathematical ideas and concepts using multiple representations. (6.7, 7.8, 8.2, 8.5, 9.8)
- 7. Connect and use multiple strands of mathematical situations and problems, as well as in the study of other disciplines. (The word problems in Chapters 6, 7, 8, 9, and 10.)

### **Student Responsibilities and Expectations:**

- 1. Come to class on time and prepared to learn. (Pencils, homework, notebook, calculator)
- 2. Read the syllabus.
- 3. Take notes, participate in class, and complete course assignments early enough to seek help if needed.
- 4. Food and drink are not allowed in class, with the exception of bottled water.
- 5. Cell phones and any other electronic devices must be silenced and put away before entering the classroom. Use of these devices during class will result in a zero for that day's quiz, homework, or exam.

#### **Resources:**

Blackboard is the online course management system that will be used for this course. The course syllabus, handouts for notes, reviews, practice exams, as well as any other class handouts can be accessed through Blackboard. Login at http://southplainscollege.blackboard.com. The user name and password should be the same as the MySPC and SPC email. Check Blackboard often for the latest tutoring schedule and course supplements.

User name: first initial, last name, and last 4 digits of the Student ID Password: Original Campus Connect Pin No. (found on SPC acceptance letter)

- There are videos lectures available that can be viewed on YouTube. These videos do not replace class meetings, but can be used as supplemental material for students' use. The links are:
   MATH 0310: <a href="http://www.youtube.com/playlist?list=PLXbDWrtfFWZHF4E-87GcKkxftlSGa77HM">http://www.youtube.com/playlist?list=PLXbDWrtfFWZEpnf-1uxFc3JL7RgftyXMn</a>
  - MATH 0315: http://www.youtube.com/playlist?list=PLXbDWrtfFWZEpnf\_luxFc3JL/RgftvXMn MATH 0320: http://www.youtube.com/playlist?list=PLXbDWrtfFWZFtPF6aDQbb7Fe7pKZfOMB8
- Free tutoring is available in M116 on the Levelland campus. Hours for the tutors will be posted by the door of M116 and I will also post them on Blackboard.
- I am available to help you! Feel free to come by during my office hours or email me at kthompson@southplainscollege.edu.

**Religious Holy Days**: In accordance with Section 51.911, Texas Education Code, South Plains College will allow a student who is absent from class for the observance of a religious holy day to take an examination or complete an assignment scheduled for that day within seven (7) calendar days after the absence. Students are required to file a written notification of absence with each instructor within the first fifteen (15) days of the semester in which the absence will occur. Forms for this purpose are available in the Student Services Office along with instructions and procedures. "Religious holy days" means a holy day observed by a religion whose place of worship is exempt from property taxation under Section 11.20, Tax Code. (copied from current South Plains College catalog)

**Equal Opportunity:** South Plains College strives to accommodate the individual needs of all students in order to enhance their opportunities for success in the context of a comprehensive community college setting. It is the policy of South Plains College to offer all educational and employment opportunities without regard to race, color, national origin, religion, gender, disability, or age.

**Disability Statement:** Students with disabilities, including but not limited to physical, psychiatric, or learning disabilities, who wish to request accommodations in this class should notify the Disability Services Office early in the semester so that the appropriate arrangements may be made. In accordance with federal law, a student requesting accommodations must provide acceptable documentation of his/her disability to the Disability Services Office. For more information, call or visit the Disability Services Office at Levelland Student Health & Wellness Center 806-716-2577, Reese Center (also covers ATC) Building 8: 806-716-4675, Plainview Center Main Office: 806-716-4302 or 806-296-9611, or the Health and Wellness main number at 806-716-2529.

**Tentative Course Schedule for Tuesday/Thursday Class** 

Day	Date	Topic Covered	Assignment
Tues	Jan 17	2.2, 2.3, 8.7A Linear and Absolute Value Equations	Assignment 1
Thurs	Jan 19	MATH 0320 Assessment	
Tues	Jan 24	8.6 Compound Inequalities	Assignment 2
1 0 00	8.7B Absolute Value Inequalities		7.00.8
Thurs			Assignment 3
1116115	6.2 Factoring Trinomials		7 100 18 1111 1111 1111
		6.3 Factoring Trinomials	
Tues	Jan 31	6.1-6.3 Factoring Practice	Assignment 4
		6.1 Factoring by Grouping	Assignment 5
		6.4 Factoring Special Products	
Tues	Feb 7	6.5 Summary of Factoring Techniques	Assignment 6
Thurs	Feb 9	6.6 Solving Polynomial Equations by Factoring	Assignment 7
		Review 1	Review 1
Tues	Feb 14	Exam 1	
Thurs	Feb 16	7.1 Simplifying Rational Expressions	Assignment 8
		7.2 Multiplying and Dividing Rational Expressions	
Tues	Feb 21	7.3 Adding and Subtracting Rational Expressions with a Common	Assignment 9
		Denominator	
		7.4 Finding the Least Common Denominator	
Thurs	Feb 23	7.5 Adding and Subtracting Rational Expressions	Assignment 10
Tues	Feb 28	7.7 Solving Rational Equations	Assignment 11
Thurs	Mar 2	Review 2	Review 2
Tues	Mar 7	Exam 2	
Thurs	Mar 9	8.2 Relations	Assignment 12
		8.3 Functions	
		8.4 Functions and their Graphs	
		Spring Break (March 13-17)	
Tues	Mar 21	3.3 Slope	Assignment 13
		3.4 Slope-Intercept Form of a Line	
Thurs	Mar 23	3.5 Point-Slope Form of a Line	Assignment 14
		8.4 Functions and Their Graphs	
Tues	Mar 28	Review 3	Review 3
Thurs	Mar 30	Exam 3	
		9.1 Square Roots Assignment 1	
		9.2 nth Roots and Rational Exponents	
Thurs	Apr 6	9.4 Simplifying Radical Expressions	Assignment 16
		9.5 Adding, Subtracting and Multiplying Radical Expressions	
Tues	Apr 11	9.6 Rationalizing Radical Expressions	Assignment 17
		9.9 The Complex Number System	
Thurs	Apr 13	9.8 Solving Radical Equations	Assignment 18
Tues	Apr 18	Review 4	Review 4
Thurs	Apr 20	Exam 4	
Tues	Apr 25	10.1 Solving Quadratics Equations by the Square Root Property and	Assignment 19
		Completing the Square	
Thurs	Apr 27	10.2 Solving Quadratic Equations by the Quadratic Formula	Assignment 20
		Last Day to Drop	
Tues	May 2	Application Problems from section 6.7, 7.8, 8.5	
Thurs	May 4	Review for Comprehensive Final	
Tues	May 9	Final Exam (10:15 am – 12:15 pm)
