South Plains College's online courses and programs are based on interactive teaching, learning, and communication. In order to take full advantage of the experiences and resources South Plains College offers, students are expected to manage and direct their academic progress with support and guidance from faculty. To acquire knowledge and build skills, students are expected to:

- Read and become familiar with the course syllabus and units.
- Keep up with assignments and readings.
- Ask for clarifications about material or course expectations.

**Blackboard** is the computer software used to deliver this course. It is essential that you have reliable access to the Internet and Microsoft Word. It is the student's responsibility to verify that assignments and assessments are accessible. You will have deadlines set for you throughout the semester. If you wait until a few hours before assignments are due and have technical difficulties, they may not be corrected in time to get credit for the assignment. Have a backup plan in place should you encounter computer problems. There are open computer labs available to all enrolled SPC students on all campuses. It is also the student's responsibility to have the required computer skills to complete this course. Should you encounter technical difficulties contact the SPC technical support at (806) 716-2180 or email [blackboard@southplainscollege.edu](mailto:blackboard@southplainscollege.edu). Be sure to include course and section number information when contacting technical support. If you are not a self-motivated student, online classes are most likely not for you! Instructions for this course will come from the four **COURSE UNITS**. There are many ways to get to information you will need, but this is probably the easiest way to navigate the course. There are 4 Units listed under this tool. These units will list everything you need to do for each unit and chapter, including due dates. Pay very close attention to these units!

## **DUE DATES**

You are allowed to work through the units at your own pace. There will still be due dates for assignments but you may work ahead as fast as you would like. Pay attention! This does not mean you can do the work as slow as you would like. You must turn the assignments in by the due dates posted throughout the course units. If you miss 5 due dates throughout the semester you will be dropped from this course.

**PLEASE NOTE:** This syllabus and course calendar are subject to change at my discretion.

## **COURSE EVALUATION**

- 1) **Chapter Quizzes** will be given on each chapter for a total of 15 quizzes. Each quiz is worth 10 points and there will be a quiz due each Sunday beginning with the first week of school. Each quiz will consist of multiple choice. You will only be able to take each quiz one time. Please use your notes and/ or textbook to complete the quizzes. These quizzes will help prepare you for the final.
- 2) There will be a **FINAL EXAM** worth 100 points. Do not leave the exam screen once you begin. You will not be able to leave the exam and return to it later. Once you enter the exam you must finish! You may use your notes and/or text, but *be aware of the time limit.*
- 3) **HOMEWORK ASSIGNMENTS** will be completed over the course of the semester. Each homework will be worth 25 points. These assignments will be posted throughout the **Units** and can also be found under the **HOMEWORK ASSIGNMENTS** Link. Please only use the Blackboard email when emailing me assignments. I will not accept them otherwise.

\*\* Plan ahead, and do not wait until the last minute to submit your assignments. Excuses for late work, such as "The network was down," or "I could not figure out how to post or send the assignment" are not acceptable.

I will not accept assignments through my South Plains College Email. Please only use the Blackboard email service when emailing me class assignments.

## **ACADEMIC INTEGRITY**

Students are expected to maintain complete honesty and integrity in their experiences in the course. Please read and understand the SPC policy regarding academic integrity and honesty found on page 23 of the SPC General Catalog.
