How this course is conducted:

This course is conducted using on-line tools. SPC uses Blackboard to deliver course materials, exams, assignments, and correspondence between the professor and all students in the class. Keep in mind that the class is structured so that you have access to all course content 24 hours a day, 7 days a week; however, I am NOT available 24 hours a day, 7 days a week.

**Students who enroll in a course but have “Never Logged In” by the official census date, as reported by the faculty member, will be administratively dropped by the Office of Admissions and Records. A student who does not meet the attendance requirements of a class as stated in the course syllabus and does not officially withdraw from that course by the official census date of the semester, may be administratively withdrawn from that course and receive a grade of “X” or “F” as determined by the instructor. Instructors are responsible for clearly stating their administrative drop policy in the course syllabus, and it is the student’s responsibility to be aware of that policy. It is the student’s responsibility to verify administrative drops for incomplete coursework through MySPC using his or her student online account. If it is determined that a student is awarded financial aid for a class or classes in which the student never attended or participated, the financial aid award will be adjusted in accordance with the classes in which the student did attend/participate and the student will owe any balance resulting from the adjustment.

Withdrawals: Any student withdrawing from all classes on the Levelland Campus must report in person to the Advising Center in the Student Services Building for a withdrawal form. Instructions for obtaining a clearance from some departments of the college will be given at this time. Students who wish to drop a course or withdraw from classes at the SPC Reese Center must report, in person, to the Advising Center at the SPC Reese Center building 8 for a withdrawal form. Students at the Lubbock Centers should contact the advisor at the center for the withdrawal form. Students at the Plainview Extension Center must contact the Counseling Office in person for a withdrawal form.

Drops: Students who stop logging into a class or does not complete the assigned coursework should go through the procedure for dropping a course; otherwise they may be administratively withdrawn for lack of completion of coursework and their record will show an “X” or “F” instead of a “W.” Failure to follow college policy by withdrawing according to this procedure will be reflected on a student’s transcript by the presence of “X” or “F” marks, as determined by the instructor. It is the student’s responsibility to verify administrative drops for incomplete coursework through his or her student online account. A grade of “W” will be given for student-initiated drops or withdrawals that occur prior to and through “The Last Day to Drop” as indicated in the academic calendar.

A student who quits logging in or submitting coursework and is administratively withdrawn from class will receive a grade of “X” or “F” as determined by the instructor through “The Last Day to Drop” as indicated in the online academic calendar.

In this class, if a student misses a fifth assignment, he/she will be dropped from the class with an X or F at the instructor’s discretion.

It does not matter what your grade is or why you did not complete your assignments. You will NOT be re-instated if you are dropped.

PLEASE COUNT YOUR ZEROS IN MY GRADES!

If a student exceeds the four-assignment limit after the administrative last day to drop, the student's semester grade will be lowered by a letter grade per assignment missed.

Due dates will not be extended FOR ANY REASON including severe illness or bereavement.

Dropping an on-line class

option 1: if the student is in Lubbock or Levelland they will need to go to the admissions office (Levelland or Reese Campus) to drop the class.

option 2: if the student does **not** live in Lubbock or Levelland they should contact the Registrar's Office (806-716-2371) for further instructions.

Student Conduct: Students are expected to exhibit a positive attitude and be considerate and respectful in all communication related to this course. Failure to comply will result in being dropped. Likewise, any student, who through words or actions, attempts to harass, embarrass, intimidate, or coerce faculty, staff or another student will be dropped from the course and reported to the Dean of Students.

Communications: Send all written communications through the Course Messages function in Blackboard. I will try to respond to you within 24 hours on work days and within 48 hours on weekends or holidays. Disrespectful communications will result in the student being dropped from the class with an F. If you send email to my SPC address, I will NOT respond.

Formula for Calculating Grades:

Personal Responsibility.....100 points
Chapter Quizzes.....1300 points
Reading Quizzes.....300 points
Total points available.....1700 points

Grading Scale:

90%= A (1530-1700 points)
80%=B (1360-1529 points)
70%=C (1190-1359 points)
60%=D (1020-1189 points)
0-59 %=F (0-1019 points)

Grades:

A. Statement of Personal Responsibility-100 points

B. OpenStax chapter quizzes-1300 points

1. We will have sixteen (16) chapter quizzes from the *OpenStax* book.
2. Chapter quizzes are multiple choice and/or identifications.*
3. The quizzes will be timed.
4. Quizzes cannot be made up. **If you do not take the quiz by the due date and time you will make a**

zero on that quiz.

5. Each quiz is worth 100 points.

6. You will have three attempts on each quiz (excluding identifications). **Your highest grade will count.**

7. Your lowest **three** (3) chapter quiz grades will be dropped—excluding the quizzes with identifications. **Quizzes with identifications can NOT be dropped.**

8. The remaining quizzes added together will be worth a total of **up to 1100 point.***

9. PLEASE DO NOT ASK ME TO RESET QUIZZES.

***** Two quizzes will have a written part (identifications). An identification is a grammatically correct answer that includes the who, what, where, when, why, what happened, and why the topic is important in US History. There is an example of an identification in Blackboard. The two quizzes with identifications will have two sections: one with multiple choice questions (with three attempts) and one with the identifications (one attempt) for a total of 100 points each. These quizzes can NOT be dropped and will appear in a separate total column in the Grade Book (Write-Total).

****SPC Policy regarding “standard English”:** All written assignments should be presented using the conventions of Standard Written English. South Plains College requires all students to become proficient in "academic English," a form of English that is typically used in academic, professional, and business contexts. While slang, regional idioms, and informal kinds of self-expression are appropriate in some contexts, they are out of place in academic writing. Writing instructors and professors in courses across the campus expect all students to demonstrate proficiency in using the conventions of academic English in their written work.

C. Reading Quizzes:

1. You will have eight multiple choice quizzes over readings from *A Treasury of Great American Scandals*.

2. Reading quizzes are all multiple choice.

3. The quizzes will be timed.

4. Quizzes cannot be made up. **If you do not take the quiz by the due date and time you will make a zero on that quiz.**

5. Each quiz is worth 50 points.

6. You will have two attempts on each quiz. **Your highest grade will count.**

7. Your lowest **two** (2) reading quiz grades will be dropped.

8. The remaining quizzes added together will be worth a total of **up to 300 points.**

9. PLEASE DO NOT ASK ME TO RESET QUIZZES.

Please note: You have more than one attempt on every quiz. You may use all the attempts for whatever reason--technological problems, low grades, whatever. I allow more than one attempt so that if you have a technological problem you will have another chance to complete the quiz. If you have computer or internet problems on the first attempt, check with IT at 806-716-2180 or blackboard@southplainscollege.edu before beginning the next attempt. Please keep in mind that IT help is NOT available 24/7. If you do have problems, you might want to consider using a different computer or internet connection on the second attempt. **The only way I will reset an attempt on ANY assignment or assessment is if there is a problem with Blackboard that is documented by the SPC IT department.** PLEASE DO NOT ASK ME TO RESET QUIZZES.

I have the Blackboard Grade Book (My Grades) set up so that it keeps a running total of your grades AFTER the lowest quizzes have been dropped.

The first column is your overall semester grade. It is the total of
column 2—OS-Quiz (with the lowest quizzes dropped),
column 3—Read-Quiz (with the lowest quizzes dropped),
column 4—Write-Total,

and column 5---the Statement of Personal Responsibility.

After you take your first OS quiz, you should have a grade in OS-16 and a grade for personal responsibility and a 100 or a 0 in the Total column (depending on what grade you made on the statement of responsibility). You won't see a grade in OS-total until you take the fourth quiz (and have three to drop). You won't see a grade in the Read-Total column until you take the third reading quiz (and have two to drop).

Every time you submit an OS or reading quiz, Blackboard will recalculate your grades to determine your lowest quiz grades and drop them. The lowest grades can change depending on your grades.

You may experience a little glitch in Blackboard. Every assignment is due at 11:59 PM. Sometimes when a student submits a quiz at 11:59 PM, the program will mark it as late and flag it. I always check quizzes that are flagged. If your assignment is time-stamped 11:59, you will get credit. If it is time-stamped 12:00 you won't get credit.

All technological questions should be directed to: blackboard@southplainscollege.edu or call the SPC Technology Center at 806-716-2180. Contact information is also available on the opening page of Blackboard). I do not offer any computer or Blackboard related technological assistance or advice.

Blackboard support and help: *Blackboard tutorials* can be found on MySPC under Students>Distance Education. Once on the Distance Education page, click on Blackboard Learn 9 on menu to the right. Blackboard Accessibility Standards: Blackboard measures and evaluates accessibility levels using two sets of standards: Section 508 of the Rehabilitation Act issued from the United States federal government and the Web Content Accessibility Guidelines (WCAG 2.0) issued by the World Wide Web Consortium (W3C). A third party conducts audits of our software releases to ensure the accessibility of the products. For Blackboard Learn 9.1's conformance with the accessibility standards under Section 508 of the Rehabilitation Act using the Voluntary Product Accessibility Template® (VPAT®) tool, see the VPAT for Blackboard Learn Release 9.1. Academic Integrity

- Anything that borders on cheating, plagiarism, or affects the academic integrity of the assignment or of the course will be dealt with using the harshest measures possible -- the least thing that could happen to you is dismissal from my class roster with a failing grade.
- Cheating includes group work on quizzes.
- Your work must be *in your own words* and it must be original (plagiarism – as explained at length in the “Plagiarism” tab in Blackboard)-- will be dealt with in the harshest manner: you will make a 0 on the assignment and/or be dropped from the class with an “F”).**
- Your work must be turned in on schedule to receive credit – neither chapter exams nor assignments will be accepted after the due date and time have expired. There are no exceptions to this provision.

Cheating and Plagiarism: from the SPC Catalog: It is the aim of the faculty of South Plains College to foster a spirit of complete honesty and a high standard of integrity. The attempt of any student to present as his 7

or her own any work which he or she has not honestly performed is regarded by the faculty and administration as a most serious offense and renders the offender liable to serious consequences, possibly suspension.

Cheating: Dishonesty of any kind on examinations or on written assignments, illegal possession of examinations, the use of unauthorized notes during an examination, obtaining information during an examination from the textbook or from the examination paper of another student, assisting others to cheat, alteration of grade records, illegal entry or unauthorized presence in an office are examples of cheating. Complete honesty is required of the student in the presentation of any and all phases of course work. This applies to quizzes of whatever length, as well as to final examinations, to daily reports and to term papers.

Plagiarism: Offering the work of another as one's own, without proper acknowledgment, is plagiarism; therefore, any student who fails to give credit for quotations or essentially identical expression of material taken from books, encyclopedias, magazines and other reference works, or from the themes, reports or other writings of fellow student, is guilty of plagiarism.

Please read the information in the "How to Study for this Class" tab.

See the Due Dates tab for what assessments are due when.

Please note that all ASSIGNMENTS/ASSESSMENTS are due by 11:59PM Central Time.

Responsibility is a key concept in an internet class. You are responsible for your own success or failure in life, in school, and in this course.

My responsibility is to tell you what to read and learn, then to assess how well you learned it. It is also my responsibility to answer any questions you have about the class content, procedures, conduct, and the material covered. I will help you with anything I can! :)

You have the bigger job and more responsibility! Those responsibilities include, but are not limited to:

- Reading the syllabus and returning the statement of personal responsibility by the due date and in the proper format.
- Reading each and every chapter thoroughly.
- Learning the material.
- Knowing the particulars of assessments. Keeping up with due dates and times.
- Completing and submitting assignments/assessments by the due date and time.
- Being computer literate enough to take an on-line class and to figure out how to use Blackboard.
- Having a reliable computer and internet connection. (We all know that sometimes we have computer/internet problems. Have a backup plan. If your computer/internet fails you, where can you go to complete your work?)
- Knowing when to ask for help and knowing who to ask. (For course content, procedure, materials, ask me. **All technological questions should be directed to:** blackboard@southplainscollege.edu or call the SPC Technology Center at 806-716-2180.)

******IMPORTANT******

This is your first grade. It is worth 100 points and is due by Monday, July 15, 2019, at 11:59PM. *I will not accept late assignments.* When I receive your Statement of Personal Responsibility with everything correct, in its proper format, and sent through proper channels, I will send you a return message saying "thank you." I will then record your grade in the gradebook. If there is something wrong with what you send me, I will tell you through a return course message. **If you do not submit the document with everything correct, in its proper format, and sent through the proper channels, by the due date and time, you will make a zero on the assignment.**

After reading the syllabus, copy and paste the gray and green highlighted areas below into Course

Messages. If Course Messages won't let you paste, simply press the control button and V. (If you cannot copy and paste, then type the required information into Course Messages.) Then type in your name and the other information asked for. Make sure to send this to me through **Course Messages with Personal Responsibility** in the subject line.
